## WE'RE GROWING...

---

---

If you are considering a new path working with a growing company after many years of working in another industry, we may have much to talk about.

You've heard the news about the financial markets, but did you know that the demand for financial planners has never been higher and that Investors Group is continuing to grow and offer career opportunities?

- Fast Company magazine named personal financial advisor as the #1 job
- CareerBuilder.com listed financial advisors as the 6th fastest growing occupation
- Money magazine / Salary.com named the career as the 9th best for young people and 4th best for those over 50

And because choosing to become a financial planner isn't a decision that is made overnight, we strive everyday to make your choice that much easier by providing you with:

- The best training in the industry\* - paid
- Mentorship and support
- Flexibility and independence
- An entrepreneurial environment
- Support for community involvement
- Exceptional income potential

You bring with you:

- Ability to impact and influence people in a positive way
- Self-confidence
- Achievement orientation
- Self-management
- Focused on learning
- Relationship-building and personal growth
- Integrity
- Ability to network effectively

So contact us about becoming an Investors Group Consultant. Find out why Investors Group was rated the #1 Full Service Dealer in the financial planning industry\*, and how we can help bring you personal and professional rewards far beyond those associated with a traditional job.
